

## Educator Committee Meeting Summary Report November 30, 2021 – Zoom

### **Welcome**

- Greg Hardy (Chair) welcomed committee members and introduced the newest committee members Mikeal Khan, Michelle Lui, Diana Mohamad and Angela Yim.

### **Boundaries of Simulation**

- This project concluded in September 2021, with provincial regulators indicating they would accept simulation boundaries for MLT-General as put forth in the report.
- The MLT-General Boundaries of Simulation will eventually be placed on the CSMLS website, like the MLA Boundaries of SIM document.

### **Indigo Lab Coat (ILC) Phase Two Campaign**

- The ILC's second phase launched in December 2021.
- This year's campaign included Dr. Hayley Wickenheiser promoting the profession as integral to the Canadian healthcare system.

### **Program Use of Teaching Materials**

- Discussed use of plasma products for transfusion science labs.
- Ideas for resources and new reagents were shared.

### **Round Table on Programs and COVID**

- Members reported on how their educational programs are handling work loads, teaching, and student experience during COVID-19.
