
The Simulation Knowledge Exchange – Research Network would like to present to you:

Simulation & Clinical Placement National Discussion – Teleconference Series

Social Media and Simulation

Join the discussion!
Sept 25th, 12-1pm EDT

Title: Social Media and Simulation

Topic: Debriefing is a critical component of simulation and likely one of the most misunderstood. Hear from simulation experts on the importance of debriefing, how to effectively debrief and much more! This presentation will showcase leading research as well as provide you with practical information that can be implemented in your program immediately.

Presenter: Joël Rivero, BScMLS, MLT

Bio: Joël is an award-winning allied health educator and student work placement facilitator at NorQuest College (Edmonton, AB). He has facilitated professionalism, effective communications, and social media workshops across Canada, and is currently working towards a Master of Arts in Communication and Technology degree at the University of Alberta.

Event Details: Check out the CSMLS event page website for details (www.csmls.org) and access to the teleconference! Handouts and slides may be posted on the event page.

Teleconference Schedule: Join us on the 4th Monday of each month, 12-1pm EDT. Add it to your calendars now! It is open to all CSMLS members and medical laboratory stakeholders.

For more details and upcoming topics, go to the CSMLS Events page!
